

Weekly Dose Margin-Numbered Paragraphs

Margin-numbered print paragraphs may have numbers in the right or left margin that are typically used as a reference for discussion.

- Follow print for blocked or indented paragraphs.
- Insert the paragraph number before the beginning of the paragraph.
- Number every paragraph, **EVEN IF** only some paragraphs are numbered in print.

Example

“I went to sleep on em, he confessed. “Only for a couple of **10** minutes,” he added hastily. “But I did drop off.”

“Oh,” Ellen said.

“I should have been wide awake every second. I meant to be.” **12**
